The magic of Polynesia, between lagoons
and ancestral customs

Majestic mountain profiles, sublime lagoons, reef islets called motus with immaculate sand, or silent bays... the fascinating beauty of the islands of French Polynesia owes as much to the wild nature of this earthly paradise as to the ancestral traditions that have remained intact for thousands of years. Encircled by lagoons with infinite shades of blue, each island celebrates Polynesian culture and invites you to discover the charm of these mystical lands lost in the heart of the Pacific Ocean.

Meet the Polynesians, explore the coral reefs, and let yourself be carried away by the bewitching magic of the Society, Tuamotu and Marquesas Islands.
