

## Villa Nureyev

Hôtel Le Toiny, Saint-Barthelemy, Saint-Barthélemy

### *Unique in the world:*

*A tropical paradise on the hills of st barth overlooking the caribbean sea.*

True idleness means getting up at 6 am so you have more time to do nothing," wrote Tristan Bernard. This is the kind of desire Le Toiny arouses, a tropical paradise on the hills of St. Barts at the heart of a 42-acre palm grove. You will find your refuge in one of the villa-suites, each with its own infinity pool and an exceptional Caribbean ocean view, or at the Hotel's new beach with cocktails and lounge chairs. With toes in the sand, under the coccolobas and beach huts, lounge around with delight and admire the surfers as they ride the waves of St. Barts' wild and authentic coast. The restaurant, for its part, elevates with great artistry the flavours of a simple, contemporary cuisine, infused with the timeless elegance of the Caribbean.
