

Pavillon Belles Feuilles

Saint James Paris, France, Paris

*Unique in the world:
The only château-hôtel in Paris nestles
in a lush green setting.*

The only château-hotel in Paris nestles in a green setting, a stone's throw from the Arc de Triomphe and Avenue Victor Hugo: a splendid Napoleon III residence, refurbished with a touch of fantasy by Bambi Sloan. The former Thiers Foundation, which once received the most brilliant students in France, has become a select venue where you can recharge your batteries. The library bar is a place to exchange confidences. The boudoir-style spa offers treatments based on the prestigious Maison Guerlain. The chef offers fine cuisine in the dining room inherited from the Foundation. In the summer the terrace and its hot air balloon décor evoke the past of the place: it had been the first aerodrome in Paris!
