ROUTES DU BONHEUR Greek pleasures, from Athens to Kefalonia

Even today, there remain a few relatively undiscovered destinations in Greece, away from those islands that are regularly saturated with tourists. Kefalonia, the 'island of flowers,' is one such place that we prefer to keep to ourselves. In the heart of the Ionian Sea, its sandy or pebble beaches, wild coves, caves and underground lakes perfectly characterize a typical Hellenic postcard. Its small fishing villages and turquoise waters offer much more than a mere getaway from Athens.

Eliamos Villas Hotel & Spa

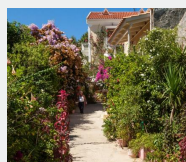

Hotel and restaurant on the seafront. Eliamos Villas Hotel & Spa resembles a tranquil oasis on its perch above a secluded beach, on the southern coast of Kefalonia. With its elegant private villas, this contemporary establishment – blending with the surrounding olive trees and island scrub that fill the air with their fragrance – pays homage to the spirit of Mediterranean architecture. Using some local stone on some, the villas feature a subdued color palette and natural materials, such as wood and terracotta tile. Each also has a private saltwater swimming pool or jacuzzi and looks out onto the blue waters of the Ionian Sea. In the restaurant, the classics of Mediterranean cuisine are revisited with locally sourced, organic ingredients. Lastly, the Eliamos experience makes well-being a priority, offering yoga, Reformer Pilates, and nature-inspired massages.
