La Maison 20 Degrés Sud

Hotel and restaurant on the seafront. A delightful colonial mansion, nestling in a coconut grove right at the water's edge, is home to a tastefully appointed, charmingly refined little hotel. The soft, neutral shades of Flamant Home Interiors furniture in its individually designed guest rooms stand in brilliant contrast to the blue of the sea and green of the coconut palms, instilling deep feelings of peace and seclusion. The restaurant, also at the water's edge, serves delicious creole and international dishes. However La Maison 20 Degrés Sud has two more treasures in store: the M/S Lady Lisbeth, the oldest motorboat on the island which, when evening falls, takes a party of guests to dine under the stars on the calm waters of the bay.
