## ROUTES DU BONHEUR On the road to the alpine lakes

Departing from Neuchâtel, the first thing you'll do is discover the lake of the same name where beautiful vineyards with white Chasselas grapes edge its northern shore. In this Land of Three Lakes, refinement goes hand in hand with discretion. Traveling these roads on two wheels (with or without a motor) allows you to take the time to observe your surroundings as you pass through the valleys. From one lakeside world to the next, the traveler will get an intimate look at the southern shore of Lake Geneva before reaching splendid Lake Annecy...

## Yoann Conte

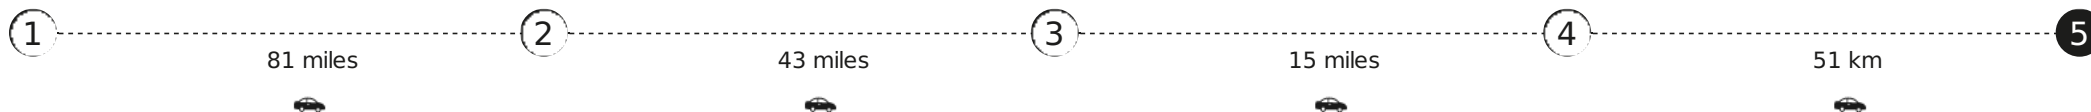

**Hotel and restaurant on a lake.** This fine early 20th-century mansion on the banks of Lake Annecy is a rhapsody of blue and gold: the blue of the façade and the lake viewed from the terrace meets the golden yellow of the wood cladding the walls and the sun that shines into the guestrooms through the large picture windows. This house offers an intimate setting with a warm, cosy ambiance. And all around is resplendent nature, as celebrated by the Chef's cuisine. Since 2010, Yoann Conte, following in the footsteps of Marc Veyrat, has drawn his inspiration from the passing seasons and their plants to reinterpret local cuisine, serving, for example, fish from the lake with fresh herbs and alpine flowers.

## Château des Avenières

**Hotel and restaurant in the mountains.** The Château des Avenières, nestled in lush green countryside on the Salève hillside, with panoramic views of Mont Blanc and Lake Annecy, is the work of an American lady who, at the beginning of the 20th century, built it in honour of her late sister and her husband, a Hindu astronomer, who gave it its very special character: a chapel with a golden mosaic where the Zodiac, the Kabbalah and Egyptian tarot combine in the midst of French-style gardens... Today the estate also boasts a kitchen garden which supplies fresh herbs and vegetables. An utterly heavenly spot - for the stay of your dreams.
