
ROUTES DU BONHEUR South Brittany, views of the sea

It is a journey that starts on the well-named Côte d'Amour before going up the coast of southern Brittany. At the mouth of the Loire, the river finally flows out past the Atlantic shore. Here you can stroll along beaches and creeks frequented by lovers of the seashore, admire the mirrored salt marshes, get lost in markets with the air of an auction, or explore the heart of an inland sea that reinvents itself with each tide. All these ocean delights are prolonged in culinary fashion with delicious Bouchot mussels, oysters, fish, and other shellfish.

Hotel and restaurant on the seafront. Locguénolé is located next to the dark waters of a sea inlet in the heart of a land of legends.
