### **ROUTES DU BONHEUR South Africa safari and beach**

This trip begins in Johannesburg, the heart of the South African nation and the Rainbow City, a city with a myriad of diversity and contrasts. Displayed in splendid art galleries, the paintings of local artists give us a different perspective on the "Big Five". These works take form within the Kruger National Park and its reserves. With elephants, rhinos, lions, leopards and buffalo only a few steps away, the safaris will provide you with a lifetime of memories. Further along, across the Mozambique Channel, you will find the large island of Madagascar which gives you a close look at the beauties of Africa. Lemurs and a vast array of endemic plant species dominate the landscape...
